

Duker-Reilly-McPherson & Associates, Inc.

Providing supplemental heating & cooling products since 1973

CALL: (586) 725-2552

E-MAIL: sales@duker-reilly.com

HEATING

1) Qmark / Berko:

Looking for an electrically powered heater? It's most likely in this catalog. This is the most complete line of electric heat in the industry.

8) Danfoss:

Electric radiant specialty heating products, mats & cables for snow & ice melting, floor warming, self-regulating cables, controls & insulated reflective panels for wood & linoleum floors

3) Solaira:

The latest quartz infrared technology, direct, instant radiant heat for the smallest patio to the largest restaurant

9) Calorique:

Radiant heat for floor warming, ceiling heat, (invisible) roof / gutter / downspout heat, portable snow & ice melting

16) Chromalox:

Appliance parts, bake & broil elements, hot water & immersion elements, special purpose heating equipment & elements

4) Thermolec:

Custom electric duct heaters, open coil & fintube, mini make-up air heaters

2) Hazloc Heaters:

Industrial steam, hydronic, and explosion-proof unit heaters and thermostats for hazardous and severe-duty locations

AIR CONDITIONING (& dehumidification)

11) GE:

Standard, horizontal & vertical packaged terminal air conditioners (PTAC) & Thru-The-Wall (TTW) units

13) Islandaire:

Custom "exact fit" replacement PTAC units (gas & electric)

12) Midea:

Ductless split systems, standard PTACS, Portable AC, Thru-The-Wall/Built In, RAC, Dehumidifiers

HAND DRYING

10) Excel:

"XLERATOR" high performance hand dryers, works in 15 seconds, made in the USA certified. Also offering competitively priced hand & hair dryers

AIR CURTAINS (environmental separation)

1) Qmark / Berko:

Air Curtains act as a thermal barrier & assist with fly & insect control

5) Mars:

Air Curtains & door heaters, indirect gas fired, electric, hot water, steam heated & unheated available

AIR DISTRIBUTION

15) Deflecto:

Air distribution products including chimney liners, dryer venting, metal and flexible ducting.

CONTROLS

1) Qmark / Berko:

Digital & mechanical thermostats & controls for electric heating & ventilation

8) Danfoss:

Controls for all indoor & outdoor radiant heating cables including custom control panels & moisture & temperature sensing controllers

6) Honeywell:

Controls for all HVAC systems

13) Chromalox:

Process heating & comfort controls

VENTILATION

1) Qmark / Berko:

Air circulators, ventilators, exhaust & intake fans, portable fans, ceiling mount paddle fans, bolt anywhere fans, utility blowers & much more...

7) Atmosphere:

Powerful and reliable inline fans, dryer boosters and commercial carbon air filtration products.

WATER SOURCE HEAT PUMPS

13) Islandaire:

Designed for highly economic year round heating & cooling, new & renovated commercial, industrial & multifamily buildings, low initial costs, individual comfort

14) Coldpoint / Adirondack Aire:

Easy installation & compatibility, replacement units identical to originals, also great for new construction, proven technology, quiet durable & efficient
