## HEATING

### 1) Qmark / Berko:

Looking for an electrically powered heater? It's most likely in this catalog. This is the most complete line of electric heat in the industry.

### 2) Danfoss:

Electric radiant specialty heating products, mats & cables for snow & ice melting, floor warming, self-regulating cables, controls & insulated reflective panels for wood & linoleum floors

### 9) Solaira:

The latest quartz infrared technology, direct, instant radiant heat for the smallest patio to the largest restaurant

### 10) Calorique:

Radiant heat for floor warming, ceiling heat, (invisible) roof / gutter / downspout heat, portable snow & ice melting

### 11) Chromalox:

Appliance parts, bake & broil elements, hot water & immersion elements, special purpose heating equipment & elements

### 12) Thermolec:

Custom electric duct heaters, open coil & fintube, mini make-up air heaters

### 13) Hazloc Heaters:

Explosion proof unit heaters for hazardous & severe duty locations

## AIR CONDITIONING (& dehumidification)

### 5) GE:

Standard, horizontal & vertical packaged terminal air conditioners (PTAC) & Thru-The-Wall (TTW) units

### 6) Islandaire:

Custom "exact fit" replacement PTAC units (gas & electric)

### 15) Midea:

Ductless split systems, standard PTACS, Portable AC, Thru-The-Wall/Built In, RAC, Dehumidifiers

## HAND DRYING

### 3) Excel:

"XLERATOR" high performance hand dryers, works in 15 seconds, made in the USA certified. Also offering competitively priced hand & hair dryers

## AIR CURTAINS (environmental separation)

### 1) Qmark / Berko:

Air Curtains act as a thermal barrier & assist with fly & insect control

### 8) Mars:

Air Curtains & door heaters, indirect gas fired, electric, hot water, steam heated & unheated available

## AIR DISTRIBUTION

### 7) Deflecto:

Aluminum ducting, dryer, bath & kitchen venting, chimney liners, roof vents & metal products, galvanized pipe, elbows & fittings, insulated / non-insulated flex & more

## CONTROLS

### 1) Qmark / Berko:

Digital & mechanical thermostats & controls for electric heating & ventilation

### 2) Danfoss:

Controls for all indoor & outdoor radiant heating cables including custom control panels & moisture & temperature sensing controllers

### 4) Honeywell:

Controls for all HVAC systems, programmable switches, relays, electric timers, digital thermostats, hygrometers, VFD's, etc...

### 11) Chromalox:

Process heating & comfort controls

## VENTILATION

### 1) Qmark / Berko:

Air circulators, ventilators, exhaust & intake fans, portable fans, ceiling mount paddle fans, bolt anywhere fans, utility blowers & much more...

## WATER SOURCE HEAT PUMPS

### 6) Islandaire:

Designed for highly economic year round heating & cooling, new & renovated commercial, industrial & multifamily buildings, low initial costs, individual comfort

### 14) Coldpoint / Adirondack Aire:

Easy installation & compatibility, replacement units identical to originals, also great for new construction, proven technology, quiet durable & efficient
